Mental Health & Psychological Services

Information for Everyone

A division of

Accessing our services:

A valid referral is required before we can schedule appointments. Once a referral is received, our Intake staff will contact you for any additional information and to book your first appointment.

Referrals can be via one of the pathways below:

Medicare Mental Health Care Plan (MHCP):

MHCP's allow an individual with a valid Medicare card to claim up to 10 consults per calendar year.

To get a referral, book an appointment with your GP, psychiatrist, or paediatrician and request a "Mental Health Care Plan".

Ask for the referral to be sent to My Psychology via email or fax (below):

- admin@mypsychology.org.au
- (03) 6431 1417

National Disability Insurance Scheme (NDIS)

If you are an NDIS participant you will require an NDIS plan which has approval for therapeutic supports. Phone (03) 6431 8411 to discuss your options via this pathway.

Workers Compensation & Other Insurance

If you require psychological assessment or intervention as part of your workers compensation or insurance process, speak with your managing GP, who may choose to refer you for assessment and/or treatment.

DVA, Private Health, or Self-Referral

We can accept walk-in referrals for you or your loved ones. Contact us via phone, email, online referral form via our website, or visit one of our offices to complete a referral form, schedule an appointment, and start engaging in services.

Fees/Costs:

Due to the range of services we can provide, and depending on your referral pathway, fees can vary.

Contact us to discuss on Ph: (03) 6431 8411.

Please Note:

My Psychology Tasmania
is not a crisis service.

We encourage engagement as a prevention and intervention service.

My Psychology reserves the right to refuse any service/referral.

If you are in crisis please contact Lifeline, or 000 if it is an emergency.
