**A Speech Pathology
Service for you.**

A Division of

My Speech Pathology Tasmania

WHO WE ARE

My Speech Pathology is a team of experienced, professional, and caring speech pathologists who work with children and adults with communication and / or swallowing issues.

We are a division of Family Based Care Tasmania, a Not For Profit organisation with many years experience in community services across Tasmania.

WHAT WE DO

- **Speech** (unclear speech, sound disorders)
- **Language** (understanding and using language)
- **Stuttering** (fluency, stammering)
- **Literacy** (reading, writing)
- **Social language skills** (understanding emotions, establishing relationships)
- **Swallowing** (difficulty eating or drinking, eg coughing during mealtimes)
- **Sensory eating** (picky eaters)
- **Voice** (Voice disorders)
- **Alternative communication systems** (AAC, limited spoken language)

REFERRALS

We accept referrals from clients (self referrals), caregivers, NDIS Coordinators, Residential Aged Care Facilities, schools, doctors, and specialists such as a paediatrician, ENT, neurologist, and other allied health professionals.

FUNDING

We accept the following funding programs:

- National Disability Insurance Scheme (NDIS)
- Medicare: Chronic Disease Management Plan (GP referral)
- Workcover / MAIB
- Private health funds
- Private paying clients
- Home Care Packages

WHAT WE OFFER

- A service for Children and Adults
- Informal and formal assessments
- Goal based therapy
- Personalised programs
- Individual therapy
- Group therapy
- Home programs
- Written reports
- Telehealth service for approved clients
- Home visits for approved clients
- Education and training for parents, carers, and other professionals
